3D Expressive Figures

Bring Emotions to Life –
Stunning 3D Faces
That Add Depth and
Character to Your Walls

Material: Gypsum

3D Faces on MDF Boards

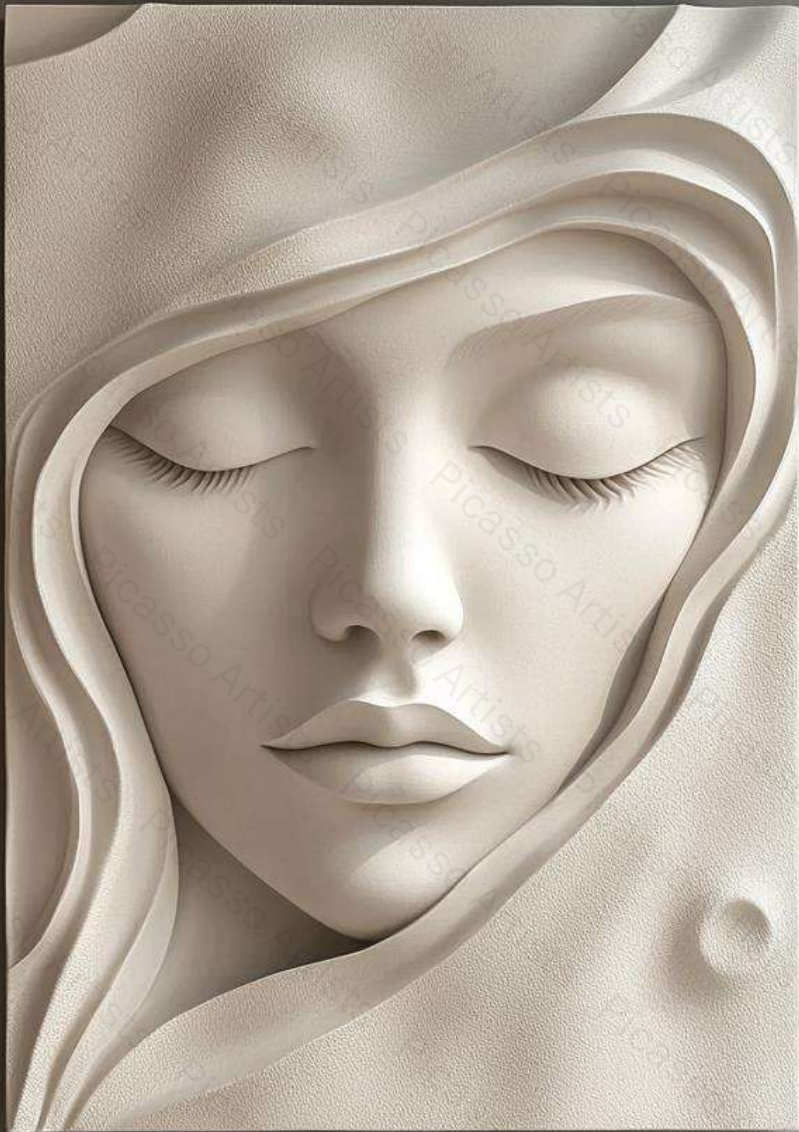

Mystery in Motion – 3D sculpted faces captivates with serene elegance, where flowing layers gently veil the eyes, inviting the viewer to explore hidden emotions and stories. Crafted in soft, monochromatic tones, it's a timeless piece that adds depth and intrigue to any space, blending art with architectural sophistication.
